

Beery-Buktenica Developmental Test of Visual Motor Integration 6th Edition (Beery VMI)

Task

Copy 24 geometric shapes, arranged from least complex to more complex (developmentally sequenced)

For example:

VMI Visual Test (Supplemental)

Task

Identify the exact match for the 27 stimuli presented within a 3 minute period.

VMI Motor Visual Test (Supplemental)

Task

Trace the stimulus forms with a pencil without going out of the double-lined paths.
