MUSIC

Tuesday, April 5, 2022

BMHS

Attention all musicians!

Music extra-curricular groups are back together after a very long break!

Do you play a wind instrument, or have you taken an instrumental music course at Banting? Then the Concert Band is the place for you! It meets Tuesday and Thursday after school in the music room, which is room 170 in the tech wing.

Do you like to sing? Are you an experienced vocalist? Or do you just like to sing in the shower? Either way, Glee is the place to be!

Glee is a multi-level choir that meets every Monday and Wednesday after school in room 170.

Be a part of the rebuilding of a legacy! These ensembles historically have toured, travelled, and won international competitions in various cities all over North America, including Montreal, Nashville, New York, Chicago, Boston, and Washington D.C. We will be doing so again, as soon as student travel opportunities are allowed. If music, friendship, travel and new experiences are of interest to you, come be a part of music at Banting!

See Mr. Kennedy or Mr. Heeley for more information and to sign up for an ensemble!
