# BANTING OUTDOOR SPACES

Monday, May 16, 2022

# BMHS

We are very excited to share with Banting students that a New Outdoor Basketball and Sports Court will be built for September 2022!

Students and staff have identified that a outdoor basketball sport court space would greatly improve wellness in our school and broader community. A large basketball court with several hoops will be a fun, safe space for students to gather and take part in sport. The sport court area can additionally be used for ball hockey, pickleball and other court-based games.

The game of basketball is inherently equitable. People of all abilities can play, and the only equipment required is a basketball. Banting would provide basketballs for students to sign out during lunchtime.

The court will be located on the south/east side of Banting school property and be accessible for all students. In addition to 6 hoops, the court space design will include benches and picnic tables for students to gather.

The basketball court will provide students with opportunities to improve their physical fitness, overall wellness, and sense of belonging in our school and broader community.

We are thrilled with this huge announcement and know that this space will be a welcoming addition for our school and community environment.

All proceeds from Banting Games tickets will go to help support the building of our new 2022-23 Outdoor Banting Basketball Court!
