

REPORTING YOUR STUDENT ABSENCE JUST GOT EASIER!

Until a student reaches 18 years old, all parents/guardians are asked to contact their school when their child will be absent from school. When schools do not hear from a parent/guardian, and a student is absent, the automated system will call home to remind you to contact the school to give the reason for the absence.

For your convenience, we have a few options for you to select from:

- 1. Phone Call** to 24 hr Attendance Line: **705-435-6288**, Press "1" to leave a voicemail message.
- 2. Send a note** to the school with your student (*include the date of absence(s), student's full name, Parent name & signature and a phone number where we may contact parent*).
- 3. Email** to: banattendance@scdsb.on.ca (*include the date of absence(s), student's full name, parent name and a phone number where we may contact parent*).

**if a student has a planned absence of 3 days or more, the student must have an Extended Absence Form completed by their teachers, signed by parent/guardian and brought to the main office for principal approval. Extended Absence Forms are available in the main office.*
