Mr. Bernardi presented School Action (SAP) for BMHS.

School Action Plan

In consultation with school communities (i.e. students, families, staff, school councils etc.), schools use local, board and provincial data to create goals and identify specific actions and strategies to achieve those goals. School Action Plans (SAPs) are reviewed and monitored yearly by schools in consultation with the respective superintendent of education.

For SCDSB from 2017-2022, the priorities are:

- Excellence in teaching and learning
- Equity, diversity and inclusion
- Well-being
- Community
