Simcoe County Model United Nations

Thursday January 18, 2024

Does international politics excite you?

Are you interested in global issues?

Do you like debating?

Then you should consider being part of the Simcoe County Model United Nations. In this fun competitive event, students take on the role of different country delegates and debate global issues at the Board office in Midhurst.

Additionally, Banting is hosting this year's event – so there is a need for students to take on different roles to run the Simulation.

If you are interested in being part of this year's event, come to a quick info meeting on Tuesday Jan 23rd in Room 221!

Everyone is welcomed and we hope to see you there!

The junior Boys Basketball stopped the invasion from Innisdale last night. A huge game from Andrew Hunter with 11 points and 13 rebounds, and Parker MacMillan with an additional 10 points put an end to any hope Innisdale had of winning. A shoutout to Cam and Kamani for putting up stellar numbers for assists and points.

Congrats Junior boys.

The senior boys basketball team had a tough loss against Innisdale last night. Vishid Lad had a good game with 10 points and 8 rebounds but it just wasn't enough. Get them next time seniors
